

REGISTRATION CONDITIONS

- The tournament has a minimum of 32 participating teams.
- We seek after having several participating teams from the region of Twente.
- Participating teams of previous editions are offered a priority position for registering. After October 15th teams will be automatically enrolled on a first come first serve basis per home country. In order to prevent that the international character of this tournament runs to waste, a maximum number of participants per home country will be retained.
- There is a maximum of 2 teams per participating football club. However our aim is to have as many different participating football clubs as possible. Therefore every second team mentioned by registration will be put on a waiting list until December 1st at the latest. This does not apply to the football clubs that entered the tournament with two teams last year. With regard to exceptional cases the organisation could deviate hereof.
- Teams must consist of at least 9 players.
- The minimum age for participating players is 55 years reached by 31 December 2019.
- When filling out the application form please make sure to mention the names of 9 participating players. Afterwards it's still possible to add more players or partners up until December 31st 2018. For adding additional persons after January 1st 2019 we must consult with Preston Palace first to check the availability of hotel rooms.
